Can anyone identify this photo?

The sesquicentennial committee occasionally receives "mystery photographs." This is one of them. If you have any information or can identify someone in this photo, please call (319) 668-1651.

The mystery photo appearing in the Sept. 22 issue of the Journal Tribune was identified as a 1930s girls' basketball team from Ladora. Thanks to the two people who called to inform us!
